

<b>FF&amp;E<sup>Z</sup> Price List</b>	<b>LICENSE SCOPE</b>		
	<b>Single-User</b> Usage is limited to one computer at one location. Data can be exchanged with other FF&E <sup>Z</sup> systems, but not actively shared over a network.	<b>Multi-User Site</b> Usage is allowed on all computers at one location. Data is shared among all users on the same server (Note: 2-, 3- or 4-user pricing also available via custom quote).	<b>Multi-User Corporate</b> Allows use on any computer at any company location (except contractors). Data is shared among users within individual locations or via use of 3 <sup>rd</sup> party tools such as Terminal Server.
<b>PRODUCT LIST</b>			
<b>FF&amp;E<sup>Z</sup> Design License</b> Allows designers, architects and salespersons to budget, specify and present interior design FF&E specifications in location-oriented (areas and rooms), item-oriented and vendor-oriented reports.	\$645	\$3,250	\$4,950
<b>FF&amp;E<sup>Z</sup> Design / Purchasing License</b> Includes all features of Design; adds conversion of FF&E specifications to purchase order module that issues, invoices and tracks orders.	\$1,345	\$6,250	\$9,950
<b>Option: FF&amp;E<sup>Z</sup> Design Off-site User License</b> Allows an off-site employee such as a salesperson to use a separate copy of <i>FF&amp;E<sup>Z</sup> Design</i> and exchange data with the main office (only applicable to Single-user and Site Licenses — included as needed in Corporate licenses).	\$295		
<b>Option: Orders Export Plug-in</b> This option exports FF&E data as purchasing data in a number of generic formats for use with 3 <sup>rd</sup> -party software (only applies to <i>FF&amp;E<sup>Z</sup> Design</i> ). Please call to discuss specifics of this option and any customization needed.	\$295	\$995	\$1,495
<b>Option: Custom Reports</b> Develop custom report layouts.	Please contact us for quote (\$300 min.)		
<b>Maintenance &amp; Support</b> (30 days of support are included in purchase.) This option continues phone and e-mail software support for all licensed users and incremental updates to the software and on-line documentation. An upgrade charge may apply for major new versions, depending on features. Support can be billed yearly or (with credit card auto-billing) quarterly.	Design: \$175/year Design/Purchasing: \$250/year	Design: \$475/year Design/Purchasing: \$750/year	Design \$975/year Design/Purchasing \$1,495/year
	Off-site Users: \$75/year		
<b>Upgrades</b> Note: Maintenance updates to the program are free to clients with an active Maintenance & Support agreement.	Upgrades to a more expansive license or product type (e.g., from single-user to a site license or from <i>Design</i> to <i>Design / Purchasing</i> ) are available for the difference in <i>license</i> amount previously paid and the current price.		
<b>Printed User Manuals</b> A <i>physical</i> copy of the software's on-line user manual / help system.	\$125/manual <sup>1</sup>		
<b>Training</b> On-site or remote training covers the basics of using FF&E <sup>Z</sup>	\$400/half day, plus reasonable travel expenses.* Note: 1 day minimum for groups of two or more trainees for <i>FF&amp;E<sup>Z</sup> Design</i> and 1-½ days for <i>Design / Purchasing</i> . *Add \$400/day for travel days outside of the U.S.		

Note: All prices are in U.S. dollars. Prices and features subject to change without notice. <sup>1</sup>Shipping not included.

Prices as of 1 February 2023
